Frequency Response	33 Hz - 20 kHz
Signal to Noise Ratio(SNR)	>93.5 dB
Remote	Wireless

### Features

Features	<p>Powerful, distortion-free bass: The new, larger 10-inch long-throw subwoofer driver with flared bass port delivers 188 watts of thunderous bass. Innovative driver technology: Polished aluminum phase-plug satellites combine two drivers into one--the clarity of a tweeter with the richness and fullness of a separate mid-range.</p> <p>Digital equalization: The Z-5500 Digital actively adjusts frequency response in real time for the cleanest, most accurate sound reproduction. DTS® 96/24 support: Enjoy studio-quality sound thanks to the Z-5500's support for 96 kHz / 24-bit digital audio streams</p> <p>Amazingly powerful controls: The Digital SoundTouch Control Center lets you control volume to all speakers, set inputs, and much more. And the separate wireless remote is great for home theaters and video game consoles. Innovative satellite design: Cloth grilles are removable for a pro-audio look. Pedestals rotate for easy wall mounting or desk placement. Center channel can be mounted on wall, above or below monitor.</p> <p>Connect to multiple sources: Simultaneously connect 6 audio sources including PCs, video game consoles, and DVD, CD &amp; portable music players... and control it all from the Digital SoundTouch Control Center.</p>
